

ARE STUDENTS WHO TRAIN IN VR BETTER PREPARED FOR JOB INTERVIEWS?

1000+ student sessions in Bodyswaps' Job Interview Simulator confirms - VR is more effective at building student confidence than traditional methods.

Data collected from

Learners' feedback

SELF-AWARENESS

80%

identified areas where skills **could be improved**.

EFFECTIVENESS

79%

find learning in Bodyswaps **more effective** than traditional methods.

RECOMMENDATION

85%

would **recommend** the experience to their peers.

Students said...

“ I don't feel comfortable with job interviews because I hate being put on the spot. I truly believe this platform **helps me gain confidence**. I can practise answering questions as many times as I like, and even fail, until I feel ready. ”

Yash

“ My favourite part was when I could talk to my present and future self. I wish learning was always **that much fun**. ”

Lara

“ It was surreal watching myself back and hearing myself talk. The hints and methods for giving good interview responses **really helped me improve**. I now know what I've got to do and say when I go to an interview. ”

Mark

“I FEEL CONFIDENT...”

■ % of students feeling confident **before** VR experience
 ■ % of students feeling confident **after** VR experience

Using affirmations to **quieten self-criticism**

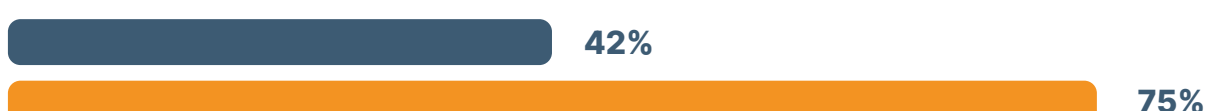

Answering unexpected questions in a structured way

Analysing questions to identify the interviewer's expectations

Connecting my strengths to my career ambitions

Answering behavioural interview questions

Testimonials

“ I have been waiting for VR to transform the way we educate people for the last 15 years - finally Bodyswaps has produced **what I have been waiting for**. I can't wait to see what the next 15 years will bring! ”

Anne Scrimshaw
 Fab Lab Manager
Sandwell College

“ The immersive experience is **risk-free, accessible, engaging,** and encourages learners to reflect on their own understanding of themselves. It has great potential as an essential learning tool now and in the future. ”

Michael Avis
 Faculty Facilitator & Educational Technology Coach
George Brown College

“ Bodyswaps opened our eyes to what VR can bring to interview training. **This is a game-changer.** ”

Christel Babinet
 Career Coach
HEC Paris
